## **Complaints Policy & Procedure**

## Complaints Policy

### 1. Overview

1.1 [Decisive First Aid](#) is committed to providing an open and accountable quality service for all. One way we continue to improve is by listening and responding to all complaints, by rectifying errors and taking whatever steps possible to prevent further occurrences.

1.2 [Decisive First Aid](#) aim to ensure that:

- a) Making a complaint is as easy as possible.
- b) We deal with complaints promptly, politely, fairly, factually and confidentially.
- c) We deal with complaints as an expression of dissatisfaction with our service that requires prompt action or response.
- d) We respond in the correct and proper way, with explanation, apology or information as appropriate.
- e) We review and learn from complaints thereby improving our service.

1.3 We recognise that many concerns need to be raised informally and dealt with quickly. However, if concerns cannot be resolved informally, immediately or the matter is serious then the formal complaints policy should be followed.

1.4 Complaints regarding teaching, assessment, recording and quality assurance are initially handled by [Decisive First Aid](#) who are an ITC First approved Centre offering ITC qualifications.

1.5 After exhausting [Decisive First Aid](#) procedures, if you are dissatisfied with a decision made or procedures followed by [Decisive First Aid](#) you can then complain to ITC First, our Awarding Organisation/Body.

### 2. A complaint or an appeal

2.1 An appeal occurs when a judgement decision has been made. E.g. Candidates may appeal assessment decisions.

2.2 Any individual or organisation that is affected by an assessment decision made by [Decisive First Aid](#) or ITC First is eligible to take advantage of the appeals process.

2.3 The ITC First Appeals Policy can be found on the policies/procedures page of the ITC website. The [Decisive First Aid](#) Appeals Policy may be found on the [Decisive First Aid](#) website or can be applied for directly.
